

SAFETY DATA SHEET

Revision Date 04/17/2024

1.1	OUCT AND COMPANY IDENTI Product identifiers				
	Product name	: Boc-D-Asp(OBzI)-OH			
	Product Number	: BD3191			
	Brand	Advanced ChemTech			
	CAS-No.	: 51186-58-4			
1.2	Relevant identified uses o	f the substance or mixture and uses advised against			
	: Laboratory chemicals, Manufacture of substances.				
1.3	Details of the supplier of the safety data sheet				
	Company	: Advanced ChemTech			
		5609 Fern Valley Rd, Louisville, KY 40228 USA			
	Telephone	: +1 833-317-5620			
	Fax	: +1 502-968-1000			
1.4	Emergency telephone nur	nber : +1 800-424-9300 Chemtrec			
2. HAZA	RDS IDENTIFICATION				
2.1		tance or mixture: Not a hazardous substance or mixture			
2.2		uding precautionary statements: Not a hazardous substance or mixture.			
2.3		ssified (HNOC) or not covered by GHS – none.			
	POSITION/INFORMATION ON	INGREDIENTS			
3.1	Substances				
	Synonyms	: Boc-D-aspartic acid 4-benzyl ester			
	Formula Malagular Waight	$: C_{16}H_{21}NO_6$			
	Molecular Weight	: 323.35 g/mole : 51186-58-4			
	CAS-No.	us according to OSHA criteria.			
		disclosed according to the applicable regulations.			
	No components need to be				
4. FIRST	AID MEASURES				
4.1	Description of first aid me	asures			
	If inhaled: If breathed in, move person into fresh air. If not breathing, give artificial respiration.				
		ash off with soap and plenty of water.			
	In case of eye contact: Flu	ish eyes with water as a precaution.			
	If swallowed: Never give an	nything by mouth to an unconscious person. Rinse mouth with water.			
4.0	Most important symptoms and effects, both acute and delayed: The most important known symptoms and effects are described in				
4.2	Most important symptoms				
	labeling (see section 2.2) ar	s and effects, both acute and delayed: The most important known symptoms and effects are described in the nd/or in section 11.			
	labeling (see section 2.2) ar	s and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.3	labeling (see section 2.2) ar Indication of any immedia	s and effects, both acute and delayed: The most important known symptoms and effects are described in th nd/or in section 11.			
4.3 5. FIREF	labeling (see section 2.2) ar Indication of any immedia	s and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.3 5. FIREF	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media	s and effects, both acute and delayed: The most important known symptoms and effects are described in th nd/or in section 11. te medical attention and special treatment needed: No data available.			
4.3 5. FIREF 5.1	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me	s and effects, both acute and delayed: The most important known symptoms and effects are described in th nd/or in section 11. te medical attention and special treatment needed: No data available.			
4.3 5. FIREF 5.1 5.2	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fro	s and effects, both acute and delayed: The most important known symptoms and effects are described in th ad/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx)			
4.3 5. FIREF 5.1 5.2 5.3	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fro Advice for firefighters: We	s and effects, both acute and delayed: The most important known symptoms and effects are described in the ad/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. for the substance or mixture: Carbon oxides, nitrogen oxides (NOX) ear self-contained breathing apparatus for firefighting if necessary.			
4.3 5. FIREF 5.1 5.2 5.3	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fro	s and effects, both acute and delayed: The most important known symptoms and effects are described in the ad/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. for the substance or mixture: Carbon oxides, nitrogen oxides (NOX) ear self-contained breathing apparatus for firefighting if necessary.			
4.3 5. FIREF 5.1 5.2 5.3 5.4	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fro Advice for firefighters: We	s and effects, both acute and delayed: The most important known symptoms and effects are described in the id/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOX) ear self-contained breathing apparatus for firefighting if necessary. ata available			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI	s and effects, both acute and delayed: The most important known symptoms and effects are described in the advor in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ear self-contained breathing apparatus for firefighting if necessary. ata available ES			
4.3 5. FIREF 5.1 5.2 5.3 5.4 3. ACCII	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI	s and effects, both acute and delayed: The most important known symptoms and effects are described in the advor in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ear self-contained breathing apparatus for firefighting if necessary. ata available ES procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fro Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see	s and effects, both acute and delayed: The most important known symptoms and effects are described in the advor in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ear self-contained breathing apparatus for firefighting if necessary. ata available ES procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas			
4.3 5. FIREF 5.1 5.2 5.3 5.4 5.4 5.1 5.2 5.1	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for	 and effects, both acute and delayed: The most important known symptoms and effects are described in the d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ear self-contained breathing apparatus for firefighting if necessary. ata available ES btective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas section 8. is: Do not let product enter drains. r containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 5.4 5.1 5.2 5.1	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for	s and effects, both acute and delayed: The most important known symptoms and effects are described in th d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ear self-contained breathing apparatus for firefighting if necessary. ata available ES btective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas section 8. IS: Do not let product enter drains.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 5.4 5.4 5.1 5.2 5.3 5.4	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fre Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section	 and effects, both acute and delayed: The most important known symptoms and effects are described in the advormed of the section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOX) ear self-contained breathing apparatus for firefighting if necessary. ata available ES bective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas section 8. is: Do not let product enter drains. r containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fro Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section DLING AND STORAGE	 and effects, both acute and delayed: The most important known symptoms and effects are described in the d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ar self-contained breathing apparatus for firefighting if necessary. ata available ES Do not let product enter drains. r containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ns: For disposal see section 13. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fm Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section DLING AND STORAGE Precautions for safe hand	 and effects, both acute and delayed: The most important known symptoms and effects are described in the d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) sar self-contained breathing apparatus for firefighting if necessary. alcohol-resistant foam, dry chemical, or carbon dioxide. ES betective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas section 8. Is: Do not let product enter drains. r containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ns: For disposal see section 13. Illing: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive is formed. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.2 6.3 6.4 7. HAND 7.1	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section DELING AND STORAGE Precautions for safe hand fire protection. For precaution	 and effects, both acute and delayed: The most important known symptoms and effects are described in the advormed symptom in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. com the substance or mixture: Carbon oxides, nitrogen oxides (NOX) ear self-contained breathing apparatus for firefighting if necessary. ata available ES betective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas self-containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ns: For disposal see section 13. dling: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventivors see section 2.2. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND 7.1	labeling (see section 2.2) ar Indication of any immedia FIGHTING MEASURES Extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section DLING AND STORAGE Precautions for safe hand fire protection. For precaution Conditions for safe storage	 and effects, both acute and delayed: The most important known symptoms and effects are described in the d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) sar self-contained breathing apparatus for firefighting if necessary. alcohol-resistant foam, dry chemical, or carbon dioxide. ES betective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas section 8. Is: Do not let product enter drains. r containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ns: For disposal see section 13. Illing: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND 7.1 7.2	labeling (see section 2.2) ar Indication of any immedia Suitable extinguishing media Suitable extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section DLING AND STORAGE Precautions for safe hand fire protection. For precaution Conditions for safe storage dry place.	 and effects, both acute and delayed: The most important known symptoms and effects are described in the d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. om the substance or mixture: Carbon oxides, nitrogen oxides (NOx) sar self-contained breathing apparatus for firefighting if necessary. ata available ES Detective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas section 8. Is: Do not let product enter drains. r containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ns: For disposal see section 13. dling: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventivoons see section 2.2. ge, including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place. Keep in a dry and well-ventilated place. Keep in a dry and well-ventilated place. 			
5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4	labeling (see section 2.2) ar Indication of any immedia Suitable extinguishing media Suitable extinguishing media Suitable extinguishing me Special hazards arising fr Advice for firefighters: We Further information: No da DENTAL RELEASE MEASURI Personal Precautions, pro For personal protection see Environmental precaution Methods and materials for Reference to other section DLING AND STORAGE Precautions for safe hand fire protection. For precaution Conditions for safe storage dry place.	 and effects, both acute and delayed: The most important known symptoms and effects are described in the d/or in section 11. te medical attention and special treatment needed: No data available. edia: Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide. com the substance or mixture: Carbon oxides, nitrogen oxides (NOx) ear self-contained breathing apparatus for firefighting if necessary. ata available ES betective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist, or gas self-containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ns: For disposal see section 13. dling: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventivoons see section 2.2. 			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6.2 6.3 6.4 7. SAFETY DATA SHEET

Respiratory protection: Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Control of environmental exposure: Do not let product enter drains.

•••••	SICAL AND CHEMICAL PROPERTIES				
9.1	Information on basic physical and chemical properties				
	a) Appearance	Form: White to Off-White powder			
	b) Odor	no data available			
	c) Odor Threshold	no data available			
	d) pH	no data available			
	e) Melting point/freezing point	no data available			
	f) Initial boiling point and boiling range	no data available			
	g) Flash point	no data available			
	h) Evaporation rate	no data available			
	i) Flammability (solid, gas)	no data available			
	j) Upper/lower flammability or explosive limits	no data available			
	k) Vapor pressure	no data available			
	I) Vapor density	no data available			
	m) Relative density	no data available			
	n) Water solubility	no data available			
	 Partition coefficient: n- octanol/water 	no data available			
	p) Auto-ignition temperature	no data available			
	q) Decomposition temperature	no data available			
	r) Viscosity	no data available			
	s) Explosive properties	no data available			
	t) Oxidizing properties	no data available			
9.2	Other safety information:	no data available			

10. STABILITY AND REACTIVITY

Reactivity: No data available 10.1

10.2 Chemical stability: Stable under recommended storage conditions.

10.3 Possibility of hazardous reactions: No data available.

10.4 Conditions to avoid: No data available.

Incompatible materials: no data available 10.5

10.6 Hazardous decomposition products: Other decomposition products - no data available. In the event of fire: see section 5

11. TOXICOLOGICAL INFORMATION 11.1

Information on toxicological effects

Acute toxicity: No data available

Inhalation: No data available

Dermal: No data available

Skin corrosion/irritation: No data available

Serious eye damage/eye irritation: No data available Respiratory or skin sensitization: No data available Germ cell mutagenicity: No data available

Carcinogenicity:

- IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
- ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
- NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
- OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

Reproductive toxicity: No data available Specific target organ toxicity - single exposure: No data available Specific target organ toxicity - repeated exposure: No data available Aspiration hazard: No data available Additional Information: RTECS: Not available

12. ECOLOGICAL INFORMATION

- Toxicity: No data available 12.1
- 12.2
- Persistence and degradability: No data available Bioaccumulative potential: No data available 12.3
- 12.4
- Mobility in soil: No data available Results of PBT and vPvB assessment: PBT/vPvB assessment not available as chemical safety assessment not required/not conducted 12.5 12.6 Other adverse effects: No data available

13. DISPOSAL CONSIDERATIONS 13.1

Waste treatment methods Product: Offer surplus and non-recyclable solutions to a licensed disposal company. Contaminated packaging: Dispose of as unused product.

14. TRANSPORT INFORMATION

DOT (US) Not dangerous goods IMDG

SAFETY DATA SHEET

Not dangerous goods IATA

Not dangerous goods

15. REGULATORY INFORMATION

 SARA 302 Components:
 SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

 SARA 313 Components:
 SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

 SARA 311/312 Hazards:
 No SARA Hazards

 Massachusetts Right to Know Components:
 No components esubject to the Massachusetts Right to Know Act.

 Pennsylvania Right to Know Components
 Revision Date

 51186-58-4
 State Sara

 New Jersey Right to Know Components
 Revision Date

 Sara

California Prop. 65 Components: This product does not contain any chemicals known to the State of California to cause cancer, birth defects, or any other reproductive harm.

16. OTHER INFORMATION

HMIS Rating	
Health hazard:	0
Chronic Health Hazard:	
Flammability:	0
Physical Hazard	0
NFPA Rating	
Health hazard:	0
Fire Hazard:	0
Reactivity Hazard:	0

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product regarding appropriate safety precautions. It does not represent any guarantee of the properties of the product. Advanced ChemTech shall not be liable for any damage resulting in the handling or from contact with the above product.
