Creosalus, Inc (Advanced ChemTech) www.AdvancedChemTech.com SAFETY DATA SHEET

Revision Date 07/24/2016

		TIFICATION			
	UCT AND COMPANY IDEN				
1.1	Product identifiers				
	Product name	: Boc-Lys-OH			
	Product Number	BK2355			
	Brand	Advanced ChemTech			
	CAS-No.	: 13734-28-6			
1.2		of the substance or mixture and uses advised against			
	Identified uses	: Laboratory chemicals, Manufacture of substances			
1.3	Details of the supplier of				
	Company : Creosalus, Inc.				
	company	5609 Fern Valley Rd, Louisville, KY 40228 USA			
	Telephone	:+1 800-456-1403			
	Fax	:+1 502-968-1000			
1.4		umber : +1 800-424-9300 Chemtrec			
2. HAZA	RDS IDENTIFICATION				
2.1	Classification of the sub	stance or mixture: Not a hazardous substance or mixture.			
2.2	GHS Label elements, inc	luding precautionary statements: Not a hazardous substance or mixture.			
2.3	Hazards not otherwise c	lassified (HNOC) or not covered by GHS – none			
	POSITION/INFORMATION O	N INGREDIENTS			
3.1	Substances				
	Formula	: C ₁₁ H ₂₂ N ₂ O ₄			
	Molecular Weight	: 246.30g/mole			
	CAS-No.	: 13734-28-6			
	No ingredients are hazard	ous according to OSHA criteria.			
	No components need to b	e disclosed according to the applicable regulations.			
	AID MEASURES				
4.1	Description of first aid measures				
	If inhaled: If breathed in, move person into fresh air. If not breathing, give artificial respiration.				
	In case of skin contact: Wash off with soap and plenty of water.				
	In case of eye contact: Flush eyes with water as a precaution.				
	If swallowed: Never give anything by mouth to an unconscious person. Rinse mouth with water.				
4.0					
4.2	Most important symptor				
4.2	labeling (see section 2.2)	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.2 4.3	labeling (see section 2.2)	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.3	labeling (see section 2.2) Indication of any immed	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11			
4.3 5. FIREF	labeling (see section 2.2) Indication of any immed	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11			
4.3	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available			
4.3 5. FIREF	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11			
4.3 5. FIREF	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available			
4.3 5. FIREF 5.1	Iabeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary.			
4.3 5. FIREF 5.1 5.2	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary.			
4.3 5. FIREF 5.1 5.2 5.3 5.4	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII	Iabeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available needia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES			
4.3 5. FIREF 5.1 5.2 5.3 5.4	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas the section 8.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precautio	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas the section 8.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection see Environmental precautic Methods and materials f	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas e section 8. ms: Do not let product enter drains.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precaution Methods and materials f Reference to other secti	Ins and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOX) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas the section 8. ons: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precaution Methods and materials f Reference to other section DLING AND STORAGE	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available nedia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas te section 8. ons: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ons: For disposal see section 13.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND 7.1	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection see Environmental precautic Methods and materials f Reference to other section DLING AND STORAGE Precautions for safe har	Ins and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas. is esction 8. ons: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ons: For disposal see section 13.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precautic Methods and materials f Reference to other section DENTAL STORAGE Precautions for safe har Conditions for safe stora	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 inter medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOX) Wear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas we section 8. ms: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ons: For disposal see section 13.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.2 6.3 6.4 7. HAND 7.1 7.2	labeling (see section 2.2) Indication of any immed GIGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precaution Methods and materials f Reference to other secti DLING AND STORAGE Precautions for safe har Conditions for safe stora	Ins and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 inter medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas the section 8. ons: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ons: For disposal see section 13. Inding: Provide appropriate exhaust ventilation at places where dust is formed. For precautions see section 2.2. age, including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place. mperature: 2 - 8 °C. Keep in a dry place.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND 7.1	labeling (see section 2.2) Indication of any immed GIGHTING MEASURES Extinguishing media Suitable extinguishing n Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precaution Methods and materials f Reference to other secti DLING AND STORAGE Precautions for safe har Conditions for safe stora	ns and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 inter medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOX) Wear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas the section 8. ms: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ons: For disposal see section 13. dling: Provide appropriate exhaust ventilation at places where dust is formed. For precautions see section 2.2. age, including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.2 6.3 6.4 7. HAND 7.1 7.2 7.3	labeling (see section 2.2) Indication of any immed IGHTING MEASURES Extinguishing media Suitable extinguishing m Special hazards arising Advice for firefighters: V Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection se Environmental precaution Methods and materials f Reference to other section DLING AND STORAGE Precautions for safe har Conditions for safe stora Recommended storage te Specific end use(s): Apa	Ins and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 iate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Vear self contained breathing apparatus for fire fighting if necessary. data available RES rotective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas. e section 8. ons: Do not let product enter drains. or containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ons: For disposal see section 13. rotecture appropriate exhaust ventilation at places where dust is formed. For precautions see section 2.2. age, including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place. mperature: 2 - 8 °C. Keep in a dry place. rt from the uses mentioned in section 1.2 no other specific uses are stipulated

Respiratory protection Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Control of environmental exposure Do not let product enter drains.

9. PHYSICAL AND CHEMICAL PROPERTIES				
9.1	.1 Information on basic physical and chemical properties			
	a) Appearance	Form: White to Off-White powder		
	b) Odor	no data available		
	c) Odor Threshold	no data available		
	d) pH	no data available		
	 e) Melting point/freezing point 	no data available		
	f) Initial boiling point and boiling range	no data available		
	g) Flash point	no data available		
	h) Evaporation rate	no data available		
	 i) Flammability (solid, gas) 	no data available		
	 j) Upper/lower flammability or explosive limits 	no data available		
	k) Vapor pressure	no data available		
	I) Vapor density	no data available		
	m) Relative density	no data available		
	n) Water solubility	no data available		
	 Partition coefficient: n- octanol/water 	no data available		
	p) Auto-ignition temperature	no data available		
	 q) Decomposition temperature 	no data available		
	r) Viscosity	no data available		
	 s) Explosive properties 	no data available		
	 t) Oxidizing properties 	no data available		
9.2	Other safety information:	no data available		

10. STABILITY AND REACTIVITY

- Reactivity: No data available 10.1
- Chemical stability: Stable under recommended storage conditions. 10.2
- 10.3 Possibility of hazardous reactions: No data available
- 10.4 Conditions to avoid: No data available
- 10.5 Incompatible materials: Strong oxidizing agents
- 10.6 Hazardous decomposition products: Other decomposition products - no data available. In the event of fire: see section 5

11. TOXICOLOGICAL INFORMATION

- Information on toxicological effects 11.1
 - Acute toxicity: No data available
 - Inhalation: No data available
 - Dermal: No data available
 - Skin corrosion/irritation: No data available
 - Serious eye damage/eye irritation: No data available
 - Respiratory or skin sensitization: No data available
 - Germ cell mutagenicity: No data available
 - Carcinogenicity:
 - IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
 - ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
 - NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
 - OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
 - Reproductive toxicity: No data available
 - Specific target organ toxicity single exposure: No data available

Specific target organ toxicity - repeated exposure: No data available

- Aspiration hazard: No data available
- Additional Information: RTECS: Not available

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

12. ECOLOGICAL INFORMATION

- Toxicity: No data available 12.1
- Persistence and degradability: No data available Bioaccumulative potential: No data available 12.2
- 12.3
- Mobility in soil: No data available 12.4
- Results of PBT and vPvB assessment: PBT/vPvB assessment not available as chemical safety assessment not required/not conducted 12.5 12.6 Other adverse effects: No data available

13. DISPOSAL CONSIDERATIONS

- Waste treatment methods 13.1
 - Product: Offer surplus and non-recyclable solutions to a licensed disposal company. Contaminated packaging: Dispose of as unused product.
- 14. TRANSPORT INFORMATION

DOT (US) Not dangerous goods

IMDG Not dangerous goods IATA Not dangerous goods

15. REGULATORY INFORMATION

SARA 302 Components SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302. SARA 313 Components SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313. SARA 311/312 Hazards: No SARA Hazards Massachusetts Right to Know Components: No components are subject to the Massachusetts Right to Know Act. Pennsylvania Right to Know Components Boc-Lys-OH CAS-No. **Revision Date** 13734-28-6 New Jersey Right to Know Components Boc-Lys-OH CAS-No. **Revision Date** 13734-28-6 California Prop. 65 Components This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

16. OTHER INFORMATION

HMIS Rating	
Health hazard:	0
Chronic Health Hazard:	
Flammability:	0
Physical Hazard	0
NFPA Rating	
Health hazard:	0
Fire Hazard:	0
Reactivity Hazard:	0
