# SAFETY DATA SHEET

Revision Date 08/27/2018

	DUCT AND COMPANY IDENTIFICA	NTION .		
4 4	DUCT AND COMPANY IDENTIFICA			
1.1	Product identifiers			
	Product name	: Fmoc-Phe(4-Br)-OH		
	Product Number	: FF2435		
	Brand	: Advanced ChemTech		
	CAS-No.			
		: 198561-04-5		
1.2	Relevant identified uses of the substance or mixture and uses advised against Identified uses : Laboratory chemicals, Manufacture of substances			
1.3	Details of the supplier of the s	afety data sheet		
	Company	: Creosalus, Inc.		
		5609 Fern Valley Rd, Louisville, KY 40228 USA		
	Telephone	: +1 800-456-1403		
	Fax	: +1 502-968-1000		
1.4	Emergency telephone number			
	ARDS IDENTIFICATION			
2.1	Classification of the substance or mixture:			
	GHS Classification in accordance with 29 CFR 1910 (OSHA HCS)			
	Chronic aquatic toxicity (Categor			
	For the full text of the H-Stateme	ents mentioned in this Section, see Section 16.		
2.2	GHS Label elements, including	g precautionary statements:		
	Pictogram	None		
	Signal Word	None		
		HOLE		
	Hazard statement(s)			
	H413	May cause long lasting harmful effects to aquatic life.		
	Precautionary statement(s)			
	P273	Avoid release to the environment.		
	P501	Dispose of contents/ container to an approved waste disposal plant.		
2.3		ed (HNOC) or not covered by GHS – none		
	POSITION/INFORMATION ON ING	REDIENTS		
3.1	Substances			
	Synonyms	: Fmoc-4-bromo-L-phenylalanine		
		N-(9-Fluorenylmethoxycarbonyl)-L-phenylalanine		
	Formula	: C <sub>24</sub> H <sub>20</sub> BrNO <sub>4</sub>		
	Molecular Weight	: 466.32 g/mole		
	CAS-No.	: 198561-04-5		
	CAS-No. No ingredients are hazardous ac	: 198561-04-5 coording to OSHA criteria.		
	CAS-No. No ingredients are hazardous ac	: 198561-04-5		
	CAS-No. No ingredients are hazardous ac No components need to be discl	: 198561-04-5 coording to OSHA criteria.		
	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations.		
	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16		
4. FIRS 4.1	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16		
	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16		
	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16		
	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water.		
	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution.		
4.1	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anything	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water.		
4.1	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash o In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the		
4.1 4.2	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash o In case of skin contact: Wash o In case of skin contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in th in section 11		
4.1 4.2	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash o In case of skin contact: Wash o In case of skin contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in th		
4.1 4.2 4.3	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme <b>T AID MEASURES</b> Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in th in section 11		
4.1 4.2 4.3 5. FIRE	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash d In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in th in section 11		
4.1 4.2 4.3 5. FIRE	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash o In case of skin contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the in section 11 edical attention and special treatment needed: No data available		
4.1 4.2 4.3 5. FIRE 5.1	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme <b>T AID MEASURES</b> Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media Suitable extinguishing media:	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res person into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the in section 11 edical attention and special treatment needed: No data available Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.		
4.1 4.2 4.3 5. FIRE 5.1 5.2	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme <b>T AID MEASURES</b> Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media Suitable extinguishing media: Special hazards arising from ti	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res berson into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the in section 11 edical attention and special treatment needed: No data available Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. he substance or mixture: Carbon oxides, nitrogen oxides (NOx), Hydrogen bromide		
4.1 4.2 4.3 5. FIRE 5.1 5.2 5.3	CAS-No. No ingredients are hazardous ac No components need to be discil For the full text of the H-Stateme T AID MEASURES Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media Suitable extinguishing media: Special hazards arising from th Advice for firefighters: Wear set	: 198561-04-5 coording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res berson into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the in section 11 edical attention and special treatment needed: No data available Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. he substance or mixture: Carbon oxides, nitrogen oxides (NOx), Hydrogen bromide elf contained breathing apparatus for fire fighting if necessary.		
4.1 4.2 4.3 5. FIRE 5.1 5.2 5.3	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme <b>T AID MEASURES</b> Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media Suitable extinguishing media: Special hazards arising from ti	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res berson into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the in section 11 edical attention and special treatment needed: No data available Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. he substance or mixture: Carbon oxides, nitrogen oxides (NOx), Hydrogen bromide elf contained breathing apparatus for fire fighting if necessary.		
4.1 4.2 4.3 5. FIRE 5.1 5.2 5.3 5.4	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme <b>T AID MEASURES</b> Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythin Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media Suitable extinguishing media: Special hazards arising from ti Advice for firefighters: Wear so Further information: No data ar	: 198561-04-5 cording to OSHA criteria. osed according to the applicable regulations. ents mentioned in this Section, see Section 16 res berson into fresh air. If not breathing, give artificial respiration. off with soap and plenty of water. yes with water as a precaution. ng by mouth to an unconscious person. Rinse mouth with water. d effects, both acute and delayed: The most important known symptoms and effects are described in the in section 11 edical attention and special treatment needed: No data available Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. he substance or mixture: Carbon oxides, nitrogen oxides (NOx), Hydrogen bromide elf contained breathing apparatus for fire fighting if necessary.		
4.1 4.2 4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI	CAS-No. No ingredients are hazardous ac No components need to be discl For the full text of the H-Stateme <b>T AID MEASURES</b> Description of first aid measur If inhaled: If breathed in, move p In case of skin contact: Wash of In case of eye contact: Flush e If swallowed: Never give anythii Most important symptoms and labeling (see section 2.2) and/or Indication of any immediate m FIGHTING MEASURES Extinguishing media Suitable extinguishing media: Special hazards arising from the Advice for firefighters: Wears of Further information: No data are DENTAL RELEASE MEASURES	<ul> <li>: 198561-04-5</li> <li>cording to OSHA criteria.</li> <li>osed according to the applicable regulations.</li> <li>ents mentioned in this Section, see Section 16</li> </ul> <b>res</b> berson into fresh air. 8. EXPOSURE CONTROLS/PERSONAL PROTECTION 8.1 Control parameters

## © CREOSALUS, INC. ALL RIGHTS RESERVED

Components with workplace control parameters Contains no substances with occupational exposure limit values.

### 8.2 Exposure controls

Appropriate engineering controls General industrial hygiene practice. Personal protective equipment

Eye/face protection Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU).

Skin protection Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and

good laboratory practices. Wash and dry hands. Body Protection Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific work-place., the type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.

Respiratory protection Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Control of environmental exposure Do not let product enter drains.

#### 9. PHYSICAL AND CHEMICAL PROPERTIES 9.1

a) Appearance	Form: White to Off-White powder
b) Odor	no data available
c) Odor Threshold	no data available
<b>d)</b> pH	no data available
<ul> <li>e) Melting point/freezing point</li> </ul>	no data available
<li>f) Initial boiling point and boiling range</li>	no data available
g) Flash point	no data available
<ul> <li>h) Evaporation rate</li> </ul>	no data available
<ul> <li>i) Flammability (solid, gas)</li> </ul>	no data available
<li>j) Upper/lower flammability or explosive limits</li>	no data available
k) Vapor pressure	no data available
I) Vapor density	no data available
m) Relative density	no data available
n) Water solubility	no data available
<ul> <li>o) Partition coefficient: n- octanol/water</li> </ul>	no data available
p) Auto-ignition temperature	no data available
<ul> <li>pecomposition temperature</li> </ul>	no data available
r) Viscosity	no data available
<ul> <li>s) Explosive properties</li> </ul>	no data available
t) Oxidizing properties	no data available
Other safety information:	no data available

## **10. STABILITY AND REACTIVITY**

9.2

Reactivity: No data available 10.1

Chemical stability: Stable under recommended storage conditions. 10.2

- Possibility of hazardous reactions: No data available 10.3
- 10.4
- Conditions to avoid: No data available Incompatible materials: Strong oxidizing agents 10.5
- 10.6 Hazardous decomposition products: Other decomposition products - no data available. In the event of fire: see section 5

## **11. TOXICOLOGICAL INFORMATION**

11.1	Information on toxicological effects				
	Acute toxicity: No data available				
	Inhalation: No data available				
	Dermal: No data available				
	Skin corrosion/irritation: No data available				
	Serious eye damage/eye irritation: No data available Respiratory or skin sensitization: No data available				
	Germ cell mutagenicity: No data available				
	Carcinogenicity:				
	IARC:	No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.			
	ACGIH:	No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.			
	NTP:	No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.			
	OSHA:	No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.			
	Reproductive toxicity: No data available				
	Specific target organ toxicity - single exposure: No data available				
	Specific target organ toxicity - repeated exposure: No data available				
	Aspiration hazard: No data available				
	Additional Information				
	RTECS: Not available				
	st of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.				

**12. ECOLOGICAL INFORMATION** 

Toxicity: No data available 12.1

## © CREOSALUS, INC. ALL RIGHTS RESERVED

- 12.2 12.3 Persistence and degradability: No data available
- Bioaccumulative potential: No data available
- Mobility in soil: No data available 12.4
- 12.5 Results of PBT and vPvB assessment: PBT/vPvB assessment not available as chemical safety assessment not required/not conducted
- Other adverse effects: No data available 12.6

#### 13. DISPOSAL CONSIDERATIONS

- Waste treatment methods 13.1
  - Product: Offer surplus and non-recyclable solutions to a licensed disposal company. Contaminated packaging: Dispose of as unused product.

#### **14. TRANSPORT INFORMATION**

DOT (US) Not dangerous goods IMDG Not dangerous goods IATA Not dangerous goods

## **15. REGULATORY INFORMATION**

SARA 302 Components SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302. SARA 313 Components SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313. SARA 311/312 Hazards: No SARA Hazards Massachusetts Right to Know Components: No components are subject to the Massachusetts Right to Know Act. Pennsylvania Right to Know Components Fmoc-Phe(4-Br)-OH CAS-No. **Revision Date** 198561-04-5 New Jersey Right to Know Components Fmoc-Phe(4-Br)-OH **Revision Date** CAS-No. 198561-04-5 California Prop. 65 Components This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

### **16. OTHER INFORMATION**

Full text of H-Statements referred to under sections 2 and 3.						
H413	May cause long lasting harmful effects to aquatic life.					
HMIS Rating						
Health hazard:	0					
Chronic Health Hazard:						
Flammability:	0					
Physical Hazard	0					
NFPA Rating						
Health hazard:	0					
Fire Hazard:	0					
Reactivity Hazard:	0
