Creosalus, Inc (Advanced ChemTech ) www.AdvancedChemTech.com SAFETY DATA SHEET

Revision Date 11/23/2021

	OUCT AND COMPANY IDENTIFI	CATION			
I. PROL		o Anon			
1.1	Product identifiers				
	Product name	: Fmoc-Lys(Trt)-OH			
	Product Number	: FK2376			
	Brand	: Advanced ChemTech			
	CAS-No.	: 111061-54-2			
1.2	Relevant identified uses of t	the substance or mixture and uses advised against			
	Identified uses	: Laboratory chemicals, Manufacture of substances			
1.3	Details of the supplier of the safety data sheet				
	Company	: Čreosalus, Inc.			
		5609 Fern Valley Rd, Louisville, KY 40228 USA			
	Telephone	: +1 800-456-1403			
	Fax	: +1 502-968-1000			
1.4	Emergency telephone numb	per : +1 800-424-9300 Chemtrec			
	RDS IDENTIFICATION				
2.1		nce or mixture: Not a hazardous substance or mixture.			
2.2		ing precautionary statements: Not a hazardous substance or mixture.			
2.3	Hazards not otherwise class	sified (HNOC) or not covered by GHS – none			
2 COME	POSITION/INFORMATION ON IN				
3. COMP 3.1	Substances				
3.1					
	Formula Malagular Waight	: C <sub>40</sub> H <sub>38</sub> N <sub>2</sub> O <sub>4</sub>			
	Molecular Weight	: 610.74g/mole			
	CAS-No.	: 111061-54-2			
	No ingredients are hazardous				
	No components need to be dis	sclosed according to the applicable regulations.			
	AID MEASURES				
4. FIRS I 4.1					
4.1	Description of first aid measures				
	If inhaled: If breathed in, move person into fresh air. If not breathing, give artificial respiration.				
		sh off with soap and plenty of water.			
		n eyes with water as a precaution.			
	If swallowed: Never give any				
		thing by mouth to an unconscious person. Rinse mouth with water.			
4.2					
4.2		and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.2 4.3	Most important symptoms a labeling (see section 2.2) and	and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.3	Most important symptoms a labeling (see section 2.2) and, Indication of any immediate	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11			
4.3 5. FIREF	Most important symptoms a labeling (see section 2.2) and Indication of any immediate	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11			
4.3 5. FIREF	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available			
4.3 5. FIREF 5.1	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.			
4.3 5. FIREF 5.1 5.2	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media Special hazards arising from	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. n the substance or mixture: Carbon oxides, nitrogen oxides (NOx)			
4.3 5. FIREF 5.1	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Wea	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. n the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary.			
4.3 5. FIREF 5.1 5.2	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media Special hazards arising from	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. n the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary.			
4.3 5. FIREF 5.1 5.2 5.3 5.4	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Weat Further information: No data	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media Special hazards arising from Advice for firefighters: Weau Further information: No data	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available			
4.3 5. FIREF 5.1 5.2 5.3 5.4	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media Special hazards arising from Advice for firefighters: Weau Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising fron Advice for firefighters: Wear Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. in the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available cetive equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Weau Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions:	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ection 8. Do not let product enter drains.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media Special hazards arising fron Advice for firefighters: Weal Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for c	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8. Do not let product enter drains. iontainment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Weau Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions:	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8. Do not let product enter drains. iontainment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising fron Advice for firefighters: Wea Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for c Reference to other sections	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8. Do not let product enter drains. iontainment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Weal Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for c Reference to other sections DLING AND STORAGE	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. in the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available cetive equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8. Do not let product enter drains. containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. : For disposal see section 13.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HAND	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Weau Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for o Reference to other sections DLING AND STORAGE Precautions for safe handlir	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas excluse equipment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. : For disposal see section 13. mg: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HANE 7.1	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing media Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote Environmental precautions: Methods and materials for c Reference to other sections DLING AND STORAGE Precautions for safe handlin fire protection. For precautions	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. In the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8. Do not let product enter drains. containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. : For disposal see section 13. Ing: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive s see section 2.2.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising from Advice for firefighters: Weal Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for o Reference to other sections DLING AND STORAGE Precautions for safe handlin fire protection. For precautions Conditions for safe storage,	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. in the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available Sective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ection 8. Do not let product enter drains. containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. : For disposal see section 13. mg: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive s see section 2.2. including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place.			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HANE 7.1 7.2	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising fron Advice for firefighters: Wear Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for c Reference to other sections DLING AND STORAGE Precautions for safe handlin fire protection. For precautions Conditions for safe storage, Recommended storage tempe	and effects, both acute and delayed: The most important known symptoms and effects are described in the /or in section 11 medical attention and special treatment needed: No data available ia: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. in the substance or mixture: Carbon oxides, nitrogen oxides (NOx) r self contained breathing apparatus for fire fighting if necessary. a available cetive equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas action 8. Do not let product enter drains. containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. : For disposal see section 13. is see section 2.2. including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place. erature: 2 - 8 °C			
4.3 5. FIREF 5.1 5.2 5.3 5.4 6. ACCII 6.1 6.2 6.3 6.4 7. HANE 7.1	Most important symptoms a labeling (see section 2.2) and Indication of any immediate FIGHTING MEASURES Extinguishing media Suitable extinguishing medi Special hazards arising fron Advice for firefighters: Wear Further information: No data DENTAL RELEASE MEASURES Personal Precautions, prote For personal protection see se Environmental precautions: Methods and materials for c Reference to other sections DLING AND STORAGE Precautions for safe handlin fire protection. **Respiratory protection** Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Control of environmental exposure Do not let product enter drains.

9. PHYSICAL AND CHEMICAL PROPERTIES					
9.1	Information on basic physical and chemical properties				
	a) Appearance	Form: White to Off-White powder			
	b) Odor	no data available			
	c) Odor Threshold	no data available			
	<b>d)</b> pH	no data available			
	<ul> <li>e) Melting point/freezing point</li> </ul>	no data available			
	<li>f) Initial boiling point and boiling range</li>	no data available			
	g) Flash point	no data available			
	<ul> <li>h) Evaporation rate</li> </ul>	no data available			
	<li>i) Flammability (solid, gas)</li>	no data available			
	<li>j) Upper/lower flammability or explosive limits</li>	no data available			
	k) Vapor pressure	no data available			
	I) Vapor density	no data available			
	m) Relative density	no data available			
	n) Water solubility	no data available			
	<ul> <li>Partition coefficient: n- octanol/water</li> </ul>	no data available			
	p) Auto-ignition temperature	no data available			
	<ul> <li>q) Decomposition temperature</li> </ul>	no data available			
	r) Viscosity	no data available			
	<ul> <li>s) Explosive properties</li> </ul>	no data available			
	t) Oxidizing properties	no data available			
9.2	Other safety information:	no data available			

### **10. STABILITY AND REACTIVITY**

- 10.1 Reactivity: No data available
- 10.2 Chemical stability: Stable under recommended storage conditions.
- 10.3 Possibility of hazardous reactions: No data available
- 10.4 Conditions to avoid: No data available
- 10.5 Incompatible materials: Strong oxidizing agents
- 10.6 Hazardous decomposition products: Other decomposition products no data available. In the event of fire: see section 5

## **11. TOXICOLOGICAL INFORMATION**

- 11.1 Information on toxicological effects
  - Acute toxicity: No data available
    - Inhalation: No data available
    - Dermal: No data available
    - Skin corrosion/irritation: No data available
    - Serious eye damage/eye irritation: No data available
    - Respiratory or skin sensitization: No data available
    - Germ cell mutagenicity: No data available
    - Carcinogenicity:
    - IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
    - ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
    - NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
    - OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
    - Reproductive toxicity: No data available
    - Specific target organ toxicity single exposure: No data available Specific target organ toxicity - repeated exposure: No data available
    - Aspiration hazard: No data available
    - Additional Information: RTECS: Not available

### 12. ECOLOGICAL INFORMATION

- 12.1 Toxicity: No data available
- 12.2 Persistence and degradability: No data available
- 12.3 Bioaccumulative potential: No data available
- 12.4 Mobility in soil: No data available
- 12.5 Results of PBT and vPvB assessment: PBT/vPvB assessment not available as chemical safety assessment not required/not conducted 12.6 Other adverse effects: No data available

### 13. DISPOSAL CONSIDERATIONS 13.1 Waste treatment metho

- Waste treatment methods Product: Offer surplus and non-recyclable solutions to a licensed disposal company. Contaminated packaging: Dispose of as unused product.
- 14. TRANSPORT INFORMATION

DOT (US) Not dangerous goods IMDG Not dangerous goods
