Creosalus, Inc (Advanced ChemTech) www.AdvancedChemTech.com SAFETY DATA SHEET

Revision Date 8/23/2021

	DUCT AND COMPANY IDEN	THE ATION			
1.1	Product identifiers				
	Product name	: Fmoc-Kynurenine			
	Product Number	: FX1173			
	Brand	: Advanced ChemTech			
	CAS-No.	: 831210-89-0			
1.2		s of the substance or mixture and uses advised against			
	Identified uses	: Laboratory chemicals, Manufacture of substances			
1.3	Details of the supplier of the safety data sheet				
	Company	: Creosalus, Inc.			
		5609 Fern Valley Rd, Louisville, KY 40228 USA			
	Telephone	: +1 800-456-1403			
	Fax	: +1 502-968-1000			
1.4	Emergency telephone n	umber : +1 800-424-9300 Chemtrec			
2 HA7	ARDS IDENTIFICATION				
2.1		ostance or mixture: Not a hazardous substance or mixture.			
2.2		cluding precautionary statements: Not a hazardous substance or mixture.			
2.3		classified (HNOC) or not covered by GHS – none			
-					
3. COM	POSITION/INFORMATION C	DN INGREDIENTS			
3.1	Substances				
	Formula	$: C_{25}H_{22}N_2O_5$			
	Molecular Weight	: 430.45 g/mole			
	CAS-No.	: 831210-89-0			
		dous according to OSHA criteria.			
	No components need to b	be disclosed according to the applicable regulations.			
-	T AID MEASURES				
4.1	Description of first aid measures				
	If inhaled: If breathed in, move person into fresh air. If not breathing, give artificial respiration.				
	In case of skin contact: Wash off with soap and plenty of water. In case of eye contact: Flush eyes with water as a precaution.				
	If swallowed: Never give				
4.0	Maat in a subant as marks	anything by mouth to an unconscious person. Rinse mouth with water.			
4.2		ms and effects, both acute and delayed: The most important known symptoms and effects are described in the			
	labeling (see section 2.2)	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11			
4.2 4.3	labeling (see section 2.2)	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the			
4.3	labeling (see section 2.2) Indication of any immed	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11			
4.3 5. FIRE	labeling (see section 2.2) Indication of any immed	ms and effects, both acute and delayed: The most important known symptoms and effects are described in th and/or in section 11			
4.3	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media	ms and effects, both acute and delayed: The most important known symptoms and effects are described in th and/or in section 11 liate medical attention and special treatment needed: No data available			
4.3 5. FIRE 5.1	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r	ms and effects, both acute and delayed: The most important known symptoms and effects are described in th and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.			
4.3 5. FIRE 5.1 5.2	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx)			
4.3 5. FIRE 5.1	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary.			
4.3 5. FIRE 5.1 5.2 5.3	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary.			
4.3 5. FIRE 5.1 5.2 5.3 5.4	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \ Further information: No	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available			
4.3 5. FIRE 5.1 5.2 5.3 5.4	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \ Further information: No IDENTAL RELEASE MEASU Personal Precautions, p	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \ Further information: No IDENTAL RELEASE MEASU Personal Precautions, p For personal protection s	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8.			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \ Further information: No IDENTAL RELEASE MEASU Personal Precautions, p For personal protection s Environmental precauti	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8. ons: Do not let product enter drains.			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI 6.1	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \ Further information: No IDENTAL RELEASE MEASU Personal Precautions, p For personal protection s Environmental precauti	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8.			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI 6.1 6.2	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: N Further information: No IDENTAL RELEASE MEASU Personal precautions, p For personal protection se Environmental precaution Methods and materials	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8. ons: Do not let product enter drains.			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI 6.1 6.2 6.3 6.4	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: \ Further information: No IDENTAL RELEASE MEASU Personal Precautions, p For personal protection s Environmental precauti Methods and materials Reference to other sect	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8. ons: Do not let product enter drains. for containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal.			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI 6.1 6.2 6.3 6.4 7. HANI	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: N Further information: No IDENTAL RELEASE MEASU Personal Precautions, p For personal protection s Environmental precauti Methods and materials Reference to other sect DLING AND STORAGE	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8. ons: Do not let product enter drains. for containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ions: For disposal see section 13.			
4.3 5. FIRE 5.1 5.2 5.3 5.4 6. ACCI 6.1 6.2 6.3 6.4	labeling (see section 2.2) Indication of any immed FIGHTING MEASURES Extinguishing media Suitable extinguishing r Special hazards arising Advice for firefighters: N Further information: No DENTAL RELEASE MEASU Personal Precautions, p For personal protection s, Environmental precauti Methods and materials Reference to other sect DLING AND STORAGE Precautions for safe ha	ms and effects, both acute and delayed: The most important known symptoms and effects are described in the and/or in section 11 liate medical attention and special treatment needed: No data available media: Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide. from the substance or mixture: Carbon oxides, nitrogen oxides (NOx) Wear self contained breathing apparatus for fire fighting if necessary. data available IRES protective equipment, and emergency procedure: Avoid dust formation. Avoid breathing vapors, mist or gas ee section 8. ons: Do not let product enter drains. for containment and cleaning up: Sweep up and shovel. Keep in suitable, closed containers for disposal. ions: For disposal see section 13. mdling: Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive

Respiratory protection: Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Control of environmental exposure: Do not let product enter drains.

9.1				
3.1	Information on basic physical and chemical properties			
	a) Appearance	Form: Yellow powder		
	b) Odor	no data available		
	c) Odor Threshold	no data available		
	d) pH	no data available		
	 e) Melting point/freezing point 	no data available		
	f) Initial boiling point and boiling range	no data available		
	g) Flash point	no data available		
	 h) Evaporation rate 	no data available		
	i) Flammability (solid, gas)	no data available		
	j) Upper/lower flammability or explosive limits	no data available		
	k) Vapor pressure	no data available		
	I) Vapor density	no data available		
	m) Relative density	no data available		
	n) Water solubility	no data available		
	 Partition coefficient: n- octanol/water 	no data available		
	 p) Auto-ignition temperature 	no data available		
	 q) Decomposition temperature 	no data available		
	r) Viscosity	no data available		
	s) Explosive properties	no data available		
	t) Oxidizing properties	no data available		
9.2	Other safety information:	no data available		

10. STABILITY AND REACTIVITY

- 10.1 Reactivity: No data available
- 10.2 Chemical stability: Stable under recommended storage conditions.
- 10.3 Possibility of hazardous reactions: No data available
- 10.4 Conditions to avoid: No data available
- 10.5 Incompatible materials: Strong oxidizing agents
- 10.6 Hazardous decomposition products: Other decomposition products no data available. In the event of fire: see section 5

11. TOXICOLOGICAL INFORMATION

- 11.1 Information on toxicological effects
 - Acute toxicity: No data available
 - Inhalation: No data available
 - Dermal: No data available
 - Skin corrosion/irritation: No data available
 - Serious eye damage/eye irritation: No data available
 - Respiratory or skin sensitization: No data available
 - Germ cell mutagenicity: No data available
 - Carcinogenicity:
 - IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
 - ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
 - NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
 - OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.
 - Reproductive toxicity: No data available
 - Specific target organ toxicity single exposure: No data available Specific target organ toxicity - repeated exposure: No data available
 - Aspiration hazard: No data available
 - Additional Information: RTECS: Not available

12. ECOLOGICAL INFORMATION

- 12.1 Toxicity: No data available
- 12.2 Persistence and degradability: No data available
- 12.3 Bioaccumulative potential: No data available
- 12.4 Mobility in soil: No data available
- 12.5 Results of PBT and vPvB assessment: PBT/vPvB assessment not available as chemical safety assessment not required/not conducted 12.6 Other adverse effects: No data available

13. DISPOSAL CONSIDERATIONS 13.1 Waste treatment metho

- Waste treatment methods Product: Offer surplus and non-recyclable solutions to a licensed disposal company. Contaminated packaging: Dispose of as unused product.
